Theodor Bilharz Research Institute
The Seventh Annual Scientific Meeting In Hepatogastroenterology

between
Theodor Bilharz Research Institute and Beaujon Hospital (France)

Sunday the 1st of February 2015
10 AM (one day meeting)
Main Hall of the Institute

Under Patronage of H.E.
Prof. Dr. Sherif Hammad
Minister of Scientific Research

President of Theodor Bilharz Research institute
Prof. Dr. Hanan El-Baz

Coordinators
Theodor Bilharz- Beaujon Hospital Agreement
Prof. Dr. Ahmed El Ray     Prof. Dr. Philippe Ruszniewski
Scientific Program

Opening Ceremony & Welcome Speech  10:00 AM

Professor Ahmed EL RAY
Moderator of the meeting, Egyptian Coordinator of TBRI - Beaujon Agreement

Professor Philippe RUSZNIEWSKI
French coordinator of TBRI - Beaujon Agreement

Professor Hanan EL BAZ
President of Theodor Bilharz Research Institute

H.E. Professor Sherif HAMMAD
Minister of Scientific Research

Session I  11:00 AM - 12:30 PM

Chairpersons:  (Alphabetical)
Prof. Taher EL ZANATY, Prof. Ali GABALLAH
Prof. Moataz HASSAN, Prof. Ahmed SHAWKY
Prof. Ayman YOUSSRY

Professor Philippe RUSZNIEWSKI
Head of The Gastroenterology and Pancreatology Department Beaujon Hospital- Paris Diderot University
“Therapeutic Strategy in Cancer of The Pancreas: What to do in 2015?”

Dr. Mahmoud EL-ANSARY
Assistant Professor of Hepatogastroenterology  in Theodor Bilharz Research Institute
“Solid Pancreatic Lesions, When not to Puncture? Unsolved Question”
Session II

Chairpersons: (Alphabetical)
Prof. Ahmed ABD ELAZIZ, Prof. Tarek ABOU SHOUSHA
Prof. Maha AKL, Prof. Wahid DOSS,
Prof. Emam WAKED

Professor Valerie PARADIS
Professor of Pathology Beaujon Hospital- Paris Diderot University
“Metabolic Syndrome: an emerging factor of Hepatocellular Carcinoma”

Dr. Pierre-Emmanuel RAUTOU
Assistant Professor of Hepatology Beaujon Hospital - Paris Diderot University
“Portal Hypertension: a silent revolution?”

Professor Gamal ESMAT
Professor of Tropical Medicine and Hepatology in Cairo University The Founder of Hepatitis Treatment Centers in Egypt
“An End to HCV Epidemic in Egypt”
Thanks to the Organizing committee of the meeting

Prof. Nevine Fam, Prof. Youssry AbdelRahman
Dr. Ahmed Youssef Montasser, Dr. Hany Ezzat,
Dr. Amr Abd ELAzim, Dr. Mohamed Abou El Kassem,
Dr. Mohamed Lashin, Dr. Sara Mamdouh,
Dr. Mohamed Abd ElMoneim, Dr. Mohamed Attia.

Thanks to sponsors of the meeting

The meeting was made possible through the generous unrestricted support from the pharmaceutical companies.
Thanks to Professor Alaa Ismail, the head of the Clinical Medical department and the professor in our Hepatogastroenterology department.

Thanks to all my professors and colleagues members of the Hepatogastroenterology department:

Prof Nawal El-Badrawy - Prof Moataz Hassan - Prof Ahmed Sadek - Prof Gamal El-Attar Prof Magdy Youssef - Prof Ibrahim Mostafa – Prof Naglaa El-Sherif

Prof Hesham El-Khayat - Prof Maged El-Ghannam – Prof Youssry Abdel-Rahman - Prof Shendy Mohamed – Prof Alaa Awad-Prof Moataz Seyam

Assistant Professors: Dr. Mahmoud El Ansary – Dr. Wael Safwat- Dr. Raafat Atta.

Dr Abdel-aziz Ali-Dr Mohamed Darwish—Dr Sherif Morsy- Dr Mohamed Aboelez-Dr Ayman Abdel-aziz- Dr Ahmed Gamaleldin-Dr Ayman Atef – Dr Ahmed Abdel-azeem

Dr Mohamed Elkady – Dr Mostafa Ibrahim – Dr Haytham Katamesh- Dr Mohamed ElZahaby- Dr Ahmed Rashad- Dr Walid Soliman – Dr Aly Abdelrehim – Dr Khaled Ragab – Dr Mostafa Abdel-moneim – Dr Mohamed Abdel-badih – Dr Mahmoud ElSherbini – Dr Mohamed ElSherbini – Dr Mohamed El-Refaaei – Dr Mohamed Ragab
Invited Speakers

Professor Philippe RUSZNIEWSKI
Head of The Gastroenterology and Pancreatatology
Department Beaujon Hospital- Paris Diderot University

Professor Philippe RUSZNIEWSKI is currently Head of the Department of Gastroenterology-Pancreatatology in Beaujon’s Hospital, Clichy, France, and Professor of Gastroenterology at University Paris 7, Denis-Diderot. His is also responsible for the Pole of Liver, Digestive and Pancreatic Diseases located in Beaujon, Bichat and Louis-Mourier Hospitals. His main areas of interest are digestive neuroendocrine tumors and pancreatic diseases (mainly pancreatic cancer, intraductal papillary mucinous neoplasms, acute and chronic pancreatitis). He has published more than 350 papers in international Journals and serves as a reviewer for leading journals in gastroenterology. He is past President of the French Society of Gastroenterology, and a member of numerous societies in the field of Gastroenterology, Pancreatology and Digestive Oncology. While he served as President of the European Neuroendocrine Tumor Society (ENETS) between 2010 and 2012, he is currently ENETS Vice Chairman.

Dr. Mahmoud EL ANSARY
Assistant Professor of Hepatogastroenterology in Theodor Bilharz Research Institute

Dr Mahmoud El Ansary is an Ass.Prof. of Hepatology and gastroenterology. He is interested in Pancreato-biliary disorders, in Abdominal Ultrasound and Doppler studies in Portal hypertension, in therapeutic aspect of ultrasound, in Endoscopy and therapeutic aspect (including ERCP). He is interested in Endoscopic Ultrasound and he is sharing in establishing this technique at TBRI.

Professor Valerie PARADIS
Professeur des Universités- Praticien Hospitalier in Pathology
(Commission Nationale des Universités) Université Paris 7

Professor Paradis joined the Pathological department of Beaujon hospital in 2002 to mainly take over pathological activity from Liver surgery and liver transplantation (Pr J Belghiti, Pr D Valla & F Durand). From 2008 to date, she have been the co-leader with Pr P Bedossa of the research team “From cirrhosis to cancer: Physiopathology and diagnosis” (Inserm U773 CRB3). For the next 5-year INSERM contract (2014-), she leads one of the teams belonging to the Research Center on Inflammation (INSERM U1149, Director Pr R Monteiro). She is an Elected member :CNU (national council of University) 2010-, Scientific commissions Research Institutes INSERM CSS6 (2008-2012), ANRS CSS4 (2011-), Association Française de l’Etude du Foie (AFEF 2012-), administrative board, European Society of Pathology Digestive Diseases Working Group (Secretary, 2011-) . She received a Personal Awards : Lauréate de la prime d’excellence scientifique (2009).
Dr. Pierre-Emmanuel RAUTOU
Assistant Professor of Hepatology Beaujon Hospital - Paris Diderot University

Dr : Pierre-Emmanuel Rautou (MD, PhD) graduated from Bordeaux Medical School in 2003. He completed his residency in Hepatology and Gastroenterology in Assistance PubliqueHôpitaux-de-Paris until 2009 and received his medical degree from the University of ParisVII. He spent 4 years as a research fellow at the INSERM Unit 970 in the laboratory of Drs AlainTedgui and Chantal Boulanger (Paris Cardiovascular Research Center @HEGP) where he studied the effects of cell derived microparticles on endothelial cells. He earned his Doctoral degree in vascular biology and haemostasis in 2011 from the University of Paris-VII. He then joined the haemostasis laboratory of Prof. Nigel Mackman at University of North Carolina at Chapel Hill (USA) where he studied the role tissue factor in chronic liver diseases. In 2012, Dr Rautou joined the department of Hepatology at the University of Paris-VII(Hôpital Beaujon, Clichy, France) as Assistant Professor to take the lead of the splanchnichemodynamic laboratory. He is also researcher at the INSERM Unit 970 (ParisCardiovascular Research Center @HEGP) in a team dedicated to endothelial cell biology. Pierre-Emmanuel Rautou is member of the French Association for the Study of the Liver (AFEF). He serves on the editorial board of the Journal of Hepatology. He became member of the EASL young investigator concerted action group in 2013.

Professor Gamal ESMAT

Professor of Tropical Medicine and Hepatology in Cairo University .
The Founder of Hepatitis Treatment Centers in Egypt.

Professor Gamal ESMAT Is the Professor of Hepatology and Endemic Medicine in faculty of Medicine Cairo University.

He is the vice-president of Cairo University for graduate studies and research. He took the State award from Academy of Scientific Research, Egypt in the field of Medical science in 2010.

Professor Esmat was the former President of International Association for study of liver diseases 2006 – 2008; he is a member of WHO strategic and advisory committee for viral hepatitis and the founder of Viral Hepatitis Treatment Center MOH. His number of International publications in Scopus reached 121 and citations1473, H-index 22.
Sponsors of the meeting

**Major Sponsors:**

- Janssen
- Abbvie
- Quadri Pharma
- Takeda
- AstraZeneca
- Rameda
- HSO
- October Pharma
- Minapharm

**Sponsors:**

- Hochster
- EIPICO
- SEDICO
- International Medical Guide
